

Sharp's LC-19SK24UW is a 19"***1 widescreen HDTV LCD Television that provides a slim, bezel design, high-definition TV solution with a distinctive small foot print ideal for kitchen/bedroom use. It features a high-performance LCD panel for high brightness, a high contrast ratio, low-reflection glare protection and wide viewing angles. The LC-19SK24UW includes ATSC/NTSC tuners to receive off-air broadcasts as well as digital cable QAM capability to receive non-scrambled digital cable programming**2. In addition, the LC-19SK24UW is PC compatible and is an HDTV monitor for greater versatility. As an HDTV monitor, it is compatible with all 1080i and 720p signals from HDTV sources. Separate decoder is required. The LC-19SK24UW also has a unique remote with a built-in clock/timer and a magnetic back for placing the remote on metallic surface for ease of use.

Features:

16x9: Aspect Ratio (1366 x 768) LCD Panel displays 16:9 wide screen programs in their native aspect ratio.

Built-in ATSC / QAM / NTSC Tuners for DTV and analog TV viewing.

High Brightness Sharp LCD Televisions are very bright, so you can put them virtually anywhere – even near windows, doors or other light sources – and their picture is still vivid.

HDMI™ Input for convenient connection to digital devices.

50,000-Hour Lamp Life3** Sharp's LCD backlight life is long enough to give you viewing pleasure for many years.

High Contrast Ratio provides incredible images whether you're watching dark or bright scenes!

Built-in Magnet on Remote For ease of placement on a metal surface the backside of the remote has a magnet allowing a user to place the remote on a refrigerator or other metal surface so it is always in reach for use.

Large Clock Display The easy to view display allows a convenient way to check the current time at a glance.

Light up Remote The remotes display is backlit so it is easy to view in dim lighting conditions like in a bedroom.

Long-Range Remote Operation This remote has three IR transmitter outputs that are placed for operating from a wide range of angles, this allows control of the TV without picking up the remote.

Timer Function A convenient count down timer for use in a kitchen when cooking or in the bedroom for when a favorite program is going to air soon as a reminder, a beeping sound will go off when the time has elapsed.

On/Off Timer When a designated time is set the remote will beep and send a "POWER ON / OFF" signal to the TV, you can use this as a "Wake-up Timer" or "Sleep timer".

Specifications

Models	LC-19SK24UW
